What type of residence do you live in? Single-Family Single-Family attached Condominium Multi-Family

Do you: Own Lease Do you have authority to approve work on the property? Yes No

Dominion Virginia Power Terms and Conditions

1. Service must be performed after August 1, 2012.
2. Rebate application must be postmarked within 45 days of the service date.
3. Customer premise is eligible for one tune-up per unit during the five-year Program time period. Submit one rebate application form per unit. Simultaneous participation in the Residential Heat Pump Tune-Up Program and the Residential Heat Pump Upgrade Program is prohibited.
4. Work must be completed by a participating contractor in Dominion's Contractor Network. This participating contractor must be a member in good standing of the Contractor Network at the time of completion of work in order for the Customer to qualify for a rebate.
5. This Program is open to Dominion Virginia Power residential customers living in single-family residences, townhomes, and multi-family (apartments and condos) dwellings with electric heating and cooling with an air source heat pump. Customer must be on a residential rate schedule. Mobile homes are not eligible. Customers must be responsible for the electric bill and either own the home or be able to secure permission from the owner to perform the repairs or improvements recommended. Units in operation for less than six (6) months are not eligible to receive a tune-up. Geothermal (water source) units and units with gas/oil/non-electric or dual fuel do not qualify. Units must be in working condition prior to tune-up.
6. It is the responsibility of the customer to assure that all requirements for the rebate are met. Failure to provide any of the required information will delay processing of your application and could result in non-payment.
7. Rebate payments are based on the date of service. Customers must abide by the rules and rebate levels in effect on the date of service.
8. The dated sales receipt must match the date of service listed on the Heat Pump Tune-Up rebate application form.
9. Program procedures, requirements and rebate levels are subject to change or cancellation without notice and are subject to available Program funds.
10. Dominion Virginia Power and/or its designees including Program administrators and evaluation contractors reserve the right to review installations to verify completion and measure energy savings to ensure compliance with all Program requirements. Such reviews will be made at a time convenient to the applicant. Misrepresentation of installation location or measure eligibility may result in forfeiture of the rebate.
11. Payment will be issued to the account holder and mailing address on record with the utility unless the customer has authorized payment be made to the contractor specified in this document.
12. Please allow up to 90 days from the date all required information is received to process your rebate.
13. Service must be completed in accordance with all laws, codes and other requirements applicable under federal, state and local authority.
14. You are urged to seek appropriate consultation concerning any tax liabilities that could be associated with the receipt of the rebate.
15. Dominion Virginia Power, its parents, subsidiaries, employees, affiliates and agents assume no responsibility for the performance of the equipment or equipment warranty, the quality of the work, labor and/or materials supplied, and/or the acts or omissions of the participating contractor.
16. The customer hereby agrees to indemnify, defend and hold harmless Dominion Virginia Power, its parents, subsidiaries, employees, affiliates and agents from any and all liability associated with this project.
17. I understand that I may be contacted by Dominion Virginia Power via survey or questionnaire to provide feedback on my satisfaction with the Program.
18. I understand that Virginia Electric and Power Company (the "Company") retains all rights to energy and demand reductions that result from measures installed under this Program for a maximum of four years, and that the Company may use such energy and demand reductions to participate in load management programs, demand response programs, or auctions operated by PJM Interconnection, L.L.C. ("PJM"), the regional electric transmission entity of which the Company is a member. The Company may share my pertinent customer information with PJM and with the Company's agents and contractors for purposes of this Program. Pertinent customer information includes, but is not limited to, account holder name, account number, address, other contact information, and other information necessary to implement and monitor the Program including other information as required by PJM.

By signing this application, I agree to the terms and conditions of this document. I understand Dominion Virginia Power reserves the right to audit my rebate application and if requested, will allow a Dominion Virginia Power representative reasonable access to verify the installation of qualifying products.
